Middle School ASA Descriptions

- **CEESA Violin**--This ASA is for those traveling to the CEESA event in April.
- **CEESA MS Girls Volleyball**--We will practice skills and game tactics while also conditioning in preparation for the CEESA tournament in Skopje on May 10-11. Please note that there is a limit of 10 players who will be selected to travel. You are expected to attend practice twice a week.
- **MS Boys Volleyball**--We will practice skills and game tactics. We will play some friendly games against local international schools.
- **CEESA MS Knowledge Bowl**--For those who already registered in Session 2. Preparation for the CEESA MS Knowledge Bowl Tournament in Prague, Czech Republic. Students engage in a quiz bowl style game where they are asked trivia questions on various subjects from history, biology, geography, art, music, and literature. This activity is a preparation for the CEESA Knowledge Bowl Competition in Prague this spring.
- **MS/Secondary Theatre**--This is a continuation of the second session of ASA Theatre. Roles have been cast in Knock, Knock and are expected to be completed with three performances on 31 May - an evening performance for friends and family. Students participating should sign up again so the proper names are recorded.
- **13 YO/Secondary Speech & Debate**--Students of a speech and debate club often practice different speech categories, such as impromptu speaking, original oratory, and interpretive events like dramatic or humorous interpretation. In debates, students will engage in formal debates on specific topics, following CEESA established formats and rules.
- **Tiger News**--Help produce TIS's student produced news show! We need help with writing, editing, producing, etc. Monday focuses on writing and producing while Wednesday's focus is on editing. You can choose one day or both.
- **Basic Crochet**--Crochet for beginners! Small projects addressing basic crochet skills. Knitters and advanced crocheters welcome, but should expect to bring their own supplies and do their own troubleshooting.
- **Art**--Students who have unfinished artwork from last time can use this time to complete their work, or those who are interested in drawing and painting can create artwork of their choice, and take it home.
- **D&D**--Do you like adventure books or movies like The Lord of the Rings or The Hobbit? Do you have a good imagination, and would you like to create your own action hero to go on a quest with other adventurers? Come learn how to play the classic roleplaying game 'Dungeons and Dragons' with Ms. Thurner and discover the excitement of going on an adventure. Space is limited.
- **Crochet & Bracelets**--Learn how to make basic crochet items and friendship bracelets.
- **MS Boys Football**--Play football for fun! Same rules apply as for recess.
- **Ping-pong**--Join your classmates in friendly games of ping-pong.
- **Basketball**--Continue working on basketball skills.
